# Why Mammotion Perimeter Wire Free Robot Lawn Mower?

Keeping a lawn in pristine condition can be time-consuming and labor-intensive, tasks that many of us struggle to find the time for. The Mammotion Perimeter Wire-Free Robot Lawn Mower offers a game-changing solution, ensuring your lawn remains immaculate without any effort from you.

## Exquisite Life with YUKA

Save Time & Money

Surpasses All Expectations

Ensures Safety & Reliability

## 2-in-1: Self-empty Lawn Sweeping Mower

With its plug-and-play sweeper kit, YUKA effortlessly handles leaves, grass clippings, twigs, and other yard debris. Furthermore, it automatically empties at designated points for hassle-free waste disposal.

## 0 Human Intervention Required Automatic Lawn Mapping

With just a few taps in the app, YUKA automatically detects boundaries and maps areas up to 3000m<sup>2</sup>, creating virtual maps without any manual setup.

## Up to 300 Feet Unhindered by Trees

UltraSense AI Vision maintains continuous mowing up to 300 meters, even in areas with zero satellite signal. It automatically resumes full operation once satellite coverage is restored, providing complete and uninterrupted lawn coverage.

## Express Your Uniqueness 3D Lawn Printing

YUKA transforms your lawn into a masterpiece, redefining outdoor aesthetics. Our AI-powered lawn printing algorithm seamlessly integrates your personal style and family activities with the yard, crafting unique designs, playful logos, badges, and messages.
